HERE'S the POINT

By SPENCE HELD

I tour d the new Donald N. Sharp Memorial Community Hospital Sunday, and was impressed by its design and facilities.

From boiler room to roof, and from incubator to morgue, it's a triumph of American mechanical and scientific genius. I'm not particularly interested in machinery, but they've got everything.

For instance, there's a gadget that will peel 30 patients, I mean 30 pounds of potatoes a minute. Food trays in the kitchen move along an assembly line, with due regard for special diets, and then are whisked upstairs in small elevators.

There are miles of pneumatic tubing; the X-ray equipment is out of this century; and the doctors' telephones don't have to be touched by human hands.

* * *

Visitors made the grand tour in groups. I encountered Dick Barbour, the child guidance expert, and noticed that even he had problems with his kids. He handled the situation pretty well, though.

Our group included another set of parents with itchy-footed little boys. This father slapped a boy to make him behave while the adults listened to a spiel about gadgetry. However, Dick Barbour told his kids to run down the enclosed ramp connecting the Children's Hospital, and they worked off their excess steam in doing so.

I'm inclined to think that Barbour had the right idea.

Marshall Malcolm Sr., owner of Red's Barber Shop; Pete Owens and Bud Ybarrando encountered a whale at close quarters last week.

On a fishing expedition in a 16-foot outboard motor boat, they were cruising at the entrance to San Diego Bay, near the jetty, when the whale suddenly came up out of nowhere.

"He was about eight feet from the boat," said Malcolm. "He sounded like a steam engine and gave us a good spraying, but didn't see us—for which we were thankful.

"The whale was about 40 feet long and had barnacles as big as two fists. He must have been scraping off barnacles against the jetty."

Well, I see where the people who believe in flying saucers had a convention near Twenty-Nine Palms. One guy claimed he had been picked up by a space ship near Detroit and made a 12-hour trip in it.

A woman reported she made a voyage to Venus and had "a beautiful romance" with a Venusian fella named Lelando.

About 1000 persons attended the convention—most of them, I suspect, from Los Angeles.

Somebody once described L. A. as "New York in purple shorts with its brains knocked out."

Personally, I'm working on a new name for L. A.—Smogtown, Paradise Lost, or something like that.

Two Soccer Games At Cabrillo Sun.

A soccer doubleheader will be played at Cabrillo Playground Sunday afternoon.

At 12:30 p.m., a State College team will take on the San Diego Soccer Club. The second game, at 2 p.m., will feature the Portuguese Tunaville team vs. Mercantile Bank of Tijuana.

No admission will be charged but the games will benefit the Multiple Sclerosis drive.

A good crowd was present last Sunday when the S. D. Soccer Club defeated the Portuguese team, 4 to 0.

WISHING WELL—Mrs. William H. Waite and Mrs. C. W. Blakey are shown beside one of the Wishing Wells which will be placed in the Peninsula area Saturday to receive contributions for crippled children.—Michael Maconnell photo.

WISHING WELLS WILL HELP CRIPPLED CHILDREN SAT.

"Wish Them Well" is the slogan designed to catch the eye, the hearts and the coins of this area Saturday, when National Crippled Children's Day will be observed.

Posters bearing the handlettered slogan will top the Wishing Wells which will receive contributions for crippled children throughout the day. In this area wells will be located at the Ace Market, DeFalco's, Safeway in Ocean Beach and at Midway and Rosecrans.

Point Loma and Ocean Beach are included in the 25 areas throughout the county where the wishing wells will be spotted Saturday as a highlight of the current Easter Seal drive.

The Wishing Well project is sponsored by the units and organizations making up the Women's Auxiliary of the Children's Hospital on Kearny Mesa.

Members of the Dana unit will staff the Ace Market well, with Mrs. R. L. Runnels as chairman; the Ocean Beach Safeway well will be manned by members of the Silvergate unit, with Mrs. Charles Underwood as chairman; the DeFalco well will have La Playa unit members on duty with Mrs. Philip Thearle in charge, and at the Midway and Rosecrans Safeway well will be members of the Loma Unit, Mrs. Clifford Ohman, chairman.

Mrs. George S. Potts, a prominent Point Loma matron, designed the wells and under her supervision they were constructed with volunteer labor.

Wishing Well proceeds will supplement contributions made to the annual Easter Seal campaign. Funds will be used for the outpatient clinic at Children's Hospital and to furnish general hospital care for San Diego County Handicapped children. Seal funds also provide weekly speech therapy, parental counselling and a summer camping program for crippled children. The campaign extends through Easter Sunday, April 10.

Red Cross Drive

Mrs. Edward Silva, chairman of Area 3, Point Loma Red Cross fund campaign, announced this week that Point Loma had reached 60.8 percent of its goal.

Meanwhile, Harry La Dou, chairman for the Ocean Beach business area, asked business men to return pledge cards to him or to the workers who called on them. He thanked his workers for their efforts.

MUSIC FESTIVAL TO FEATURE 36th PUBLIC SCHOOLS WEEK

An elementary school music festival will be one of the featured opening events for the 36th annual observance of Public Schools Week beginning Sunday, April 24, it was revealed this week.

The festival will be held in Balboa Park Bowl (formerly the Ford Bowl) and will feature performances by the all-city elementary orchestra and the all-city elementary band. It is scheduled for 4:30 p.m. on the opening Sunday, April 24.

The all-city elementary orchestra, directed by William D. Gay, has been featured for several years in the annual concert. This will mark the first performance, however, by the all-city elementary band, recently organized by Dan Magnusson, director.

More than 200 young musicians, representing all elementary schools in the city, are members of the two musical groups. The full orchestra and band rehearse one night each week, while smaller sections rehearse regularly in the schools.

Dr. Alex Zimmerman, City Schools Director of Music Education, pointed out that the music festival has been scheduled for 4:30 p.m. because daylight saving time will be in effect. The late afternoon hour (equivalent to 3:30 p.m. standard time) will provide greater comfort for both the youthful musicians and spectators.

All schools will welcome visitors throughout Public Schools Week, April 24 to May 1, during the hours that classes are in session. However, most schools have scheduled open house programs for the benefit of parents and others who cannot visit during the day.

In the Peninsula area, the open house schedule is as follows:

Point Loma High School—Monday, April 25, 7:30-9 p.m.

Dana Junior High—Wednesday, April 27, 7:30-9 p.m.

Cabrillo Elementary School—Tuesday, April 26, 7-8:30 p.m.

Dewey—Tuesday, April 26, 7-9 p.m.

Frontier—Tuesday, April 26, 7-8:30 p.m.

Loma Portal—Tuesday, April 26, 7:30-9 p.m.

Ocean Beach—Tuesday, April 26, 7-8:30 p.m.

Silver Gate—Wednesday, April 27, 7:15-8:30 p.m.

Sunset View—Thursday, April 28, 7:30-9 p.m.

All Candidates Invited to O. B.

Residents of the Peninsula area are invited to hear candidates for Mayor and City Council speak at a general meeting of the Ocean Beach Chamber of Commerce Monday, April 11 at 8 p.m. in the O. B. Community Center.

That announcement was made yesterday by Harry La-Dou, Chamber president.

After a short business meeting, each candidate will speak for about five minutes, and then a question-and-answer period will follow.

All candidates for Mayor and Council have been invited to speak.

Dail Cites Need For S. D. Port Development

San Diego is now at its economic crossroad, Councilman Charles C. Dail, candidate for Mayor, declared this week.

"It is essential for our future development," he said, "that the Port of San Diego be developed so that we will enjoy a competitive advantage with other Pacific Coast ports. At present, we share in only 1 percent of coastal trade."

Citizens of San Diego, Dail pointed out, will have the opportunity of purchasing stock in the future of their city by voting "yes" on the Tenth St. Pier Bond Issue April 19. Only through this harbor development can we hope to provide the way of attracting new industry to San Diego, and consequently the means of producing more jobs here, he said.

Dail also advocated construction of a north-bound traffic route connecting Laurel St. with Highway 395. "In this way," he said, "we could drain off a good deal of the north-bound traffic before it jams up on Cabrillo Bridge and through Balboa Park."

He said that many of our outmoded highways seriously delay wage-earners going back and forth to work.

Foster Critical Of Opponent In Tuesday Talk

Harry L. Foster, Mayoral nominee, this week charged his opponent with using "double talk" in a deliberate effort to confuse the voters.

"As just one example," Foster told the Downtown Kiwanis Club Tuesday noon, "'Double Talk Charlie' made a public statement in January to the effect that he would set up an Industrial Commission to help secure new industry.

"Proof that this was 'double talk' and purely a political gesture is that not once during his 12 years on the Council has he ever advocated the establishment of such a commission.

"Such a statement coming at that time from a man who has had the opportunity in his official capacity to set up a commission or committee to secure new industry cannot be taken seriously.

"Why hasn't he done anything about industrial expansion before?" Foster asked. "If he had proposed such an idea during the long years he was on the Council it would sound more sincere. But no, he sits on the Council for 12 years and then gets the bright idea that maybe San Diego should do something about new industry.

"This is certainly what I call 'double talk' and must be presumed to be made for the purpose of trying to confuse the voters."

WINCOTE CITES IMPORTANCE OF EXPERIENCE

Charles B. Wincote, candidate for re-election to the Council from the 2nd District, said yesterday that in the City's present crisis "there is no substitute for experience."

Speaking before the San Diego Realty Board at its luncheon at the U. S. Grant Hotel, Wincote revealed that the City's tremendous growth in recent years has outmoded its water pipes, sewer lines and much of the street surfacing. These, he said, need extensive maintenance and repair work or replacing.

"Water pipes that were ample in size for a town of 100,000 or 200,000 and capable of giving proper pressure for homes and fire fighting have now become woefully inadequate," he reported. "The same obsolescent condition is true of our sewer lines, disposal facilities and streets.

"These problems," Wincote declared, "require careful thought, good judgment and certainly experience is important."

O. B. Kiwanis Club

San Diego is the ideal area in the U. S. for growing roses, Byron Lindsley told Ocean Beach Kiwanians Tuesday night.

Lindsley, past president of San Diego Rose Society and chairman of the board, S. D. Floral Association, spoke at a special Ladies' Night program. Joe Kennealley was program chairman; he is president of the S. D. Rose Society.

Arrangement of roses in patio and gardens in combination with other plants and flowers was discussed by Lindsley.

Harry Masters showed color slides of the recent Kiwanis Youth Building dedication. Mr. and Mrs. Bud Overby presented musical selections.

Track Meet Set Here Saturday

Sponsored by the Ocean Beach 20-30 Club, a track meet will be held at O. B. Community Center Saturday at 10 a.m., according to Jack Dawson, recreation leader there.

The meet is open to boys in Classes D, E and F. Ribbons will be awarded for winners of the first three places in each event. Entry blanks now are available at the Community Center.

Several Boy Scout troops and Cub Packs are entering teams in the meet, as is the Community Center, Dawson said. A team trophy will be awarded.

The Raven Patrol was awarded the Honor Patrol Pennant for outstanding service during the past three months. Patrol leader's bars were awarded to Mike Stoval.

Refreshments were served by Mrs. G. Smith.

Dr. Kuntz Elected To Institute Board

Dr. S. Kuntz, of Ocean Beach, past president of the San Diego County Optometric society, has been elected an officer of the Vision Conservation Institute, a state-wide organization dedicated to dissemination of facts regarding the importance of vision.

At the recent meeting of the VCI board of directors at Bakersfield, Dr. Kuntz was elected a director and succeeds Dr. Gordon Scribner.

At the same time, Kuntz was appointed a member of the key public relations committee of the California Optometric Association by Dr. D. Le Roy Leatart, of Long Beach, 1955 president.

Port Handicapped By Critical Lack Of Storage Space

The port's critical cargo storage situation is causing grave concern along the waterfront.

With existing sheds and storage areas jammed beyond capacity, Harbor Department officials and shippers express fear that unless something is done to provide more cargo handling facilities, the port faces the prospect of losing its hard gained commerce.

Typical of the dilemma confronting waterfronters was last week's arrival of 30,000 bags of chemical fertilizer aboard three vessels.

awaiting shipment that, in the words of Port Warden Richard Emrich, "is bad in that it adds to the cost of shipping through the Port of San Diego."

Emrich pointed out that increased handling and insurance costs were endangering the port's reputation for efficiency and rapid cargo handling.

"This problem of wondering how and if we will have the space demanded by the movement of new cargos through the port is working a costly hardship on shippers", said Emrich.

Port spokesmen see as the immediate answer to the congestion problem the development of the area at the foot of Tenth Avenue into a modern shipping terminal.

Polio Vaccine Injections Set At Dewey School

George Dewey Elementary School will be the center for polio vaccine injections for first and second grade pupils of Frontier, Fremont and Dewey School districts on April 16 and 23 and May 21, Dr. Terence B. Geddis, Dewey principal, announced yesterday.

In the message to the parents, school officials said the vaccine, "if licensed by the National Institutes of Health, will be made available in limited quantities by the National Foundation of Infantile Paralysis after April.

"Through the cooperation of the San Diego County Medical Society, City and County Schools, Ninth District Parent-Teachers Association and the San Diego Department of Public Health, all First and Second Grade School Children may be immunized IF PARENTS DESIRE."

Musical, dancing and singing numbers, as well as skits by children, parents and faculty members, will be on the program. A 25-cent admission fee will be charged, with proceeds to go to PTA and student funds.

Evenson Favors Pier Bond Issue

Justin C. Evenson, Council Nominee from the 6th District, yesterday endorsed Proposition D on the April 19 ballot providing for construction of the 10th Ave. pier.

He told the San Diego Realty Board at its Wednesday luncheon meeting at the U. S. Grant Hotel that the shipping terminal is necessary to harbor development and would be a great step toward making San Diego one of the world's great seaports.

"Our present harbor facilities are wholly inadequate for San Diego's economic position," Evenson said, "and expansion will be imposible without new construction.

"While the proposed bond issue for the pier will cost us about $560,000 annually," Evenson added, " the facilities provided by it will bring in more than $7 million a year."

City Council Gives O.K. To Groin Construction

Approving plans and specifications, the City Council Tuesday authorized the purchasing agent to advertise for bids for construction of a rock groin at Ocean Beach. This will be designed to hold in place the sand to be pumped from the Mission Bay Channel dredging.

Tom Drake, former chairman of the O. B. Chamber of Commerce Beach Improvement Committee, attended Tuesday's Council meeting. He reported that bids for the groin job would be opened April 20.

After award of a contract, work is expected to start within about two weeks. The rock groin, to be constructed in the vicinity of the foot of Cape May Ave., is expected to cost from $35,000 to $40,000.

Councilmen Clair Burgener and Charles C. Dail have been active in behalf of the project. The Ocean Beach Chamber has long urged it, and Drake spearheaded the local campaign throughout 1954, conferring with Army engineers and City officials.

Harry La Dou, Chamber president, and Bill Knopp, 1955 chairman of the Beach Improvement Committee, have followed through this year.

City officials anticipate that the work of pumping sand onto the local beach from the channel dredging will be started within two or three weeks. The sand will repair erosion damage; Army engineers have said that construction of a rock groin is necessary to prevent the sand from being washed away.

'Peter Cottontail's Birthday Party' Set Saturday, April 9

Four Peninsula girls—Barbara Dressler, Nancy Van Norman, Sheila Marion and Bonnie Gaye Smith—will take part in the San Diego Junior Civic Ballet's production of "Peter Cottontail's Birthday Party" at the annual Easter Seal children's program in the Balboa Park Organ Pavilion on April 9 at 12:30 p.m.

The event, under the supervision of Pauline des Granges, recreation superintendent, is sponsored by the San Diego Park and Recreation Department.

The program will follow the Easter Parade of Wheels, a decorated vehicle competition open to all children under 12. Awards will be given by the San Diego Junior Chamber of Commerce for best decorated tricycle, wagon or automobile, scooter, bicycle, baby buggy and wheelchair. Members of the Junior Women's Club will be judges. Entry may be made through any city playground.

Crippled children, beneficiaries of the Easter Seal drive, will b especial guests of both the Parade of Wheels and the Junior Civic Ballet entertainment All ages are invited to attend the free program, and youngsters are promised a "treat".

Dancing will be under the direction of Maria Fielding, of the Park and Recreation Department. Mrs. Robert Myers, 2105 Guizot, is publicity chairman.

YELLOW DERBY TO OPEN SAT.

Point Loma again will become the Mecca toward which the eyes of all deep sea anglers will turn next Saturday, April 2, when the S. D. Junior Chamber of Commerce will remove the wraps from the ninth annual edition of the celebrated $25,000 Yellowtail Derby.

The 1955 Derby already appears to be ticketed to become the greatest of the nine, despite that 62,000 anglers took part in the classic last year and broke all catch records by taking untold quantities of white sea bass, barracuda, bonito, calico bass, and other species.

Last practice runs this week disclosed a growing eagerness on the part of the yellowtail to get at the bait,, and catches not only showed improvement but some of the fish taken were quite large. Some of the more recent yellows checked in included the following: 32 pounds, Ralph Squier, San Diego; 30-12, A.M. Hoisch, Los Angeles; 30-3, Bill Lent, El Cajon; 30 pounders by Ben Bartel, Los Angeles, Earl Kaul, Yuma, and Herb Kristan, San Diego.

Six special prizes, topped by a television set, have been put up for the opening day. Queen Arline Solof and various city dignitaries will be at the Municipal Sportfishing Pier, Fenelon at Rosecrans, to greet returning anglers at 1 p.m.

READY—The new Point Loma Village Medical-Dental Center at 1370 Rosecrans St. will be in full operation before the end of this week, with four doctors using it. R. M. Wood, general contractor of 3615 Lotus Dr., was in charge of this project.—Michael Maconnell photo.

NEW MEDICAL-DENTAL CENTER OPENS ON ROSECRANS STREET

The new Point Loma Village Medical-Dental Center at 1370 Rosecrans St., will be in full operation before this week ends, Dr. L. Dean Gibson, M.D., announced yesterday.

The new medical site nicludes five offices, an emergency surgery room, facilities to take care of sick and well infants, and an X-ray room, Dr. Gibson said. Five thousand square feet of parking space is available, he added, and the center is arranged to take care of industrial injury cases.

The center will be the headquarters of Dr. Gibson; Dr. Kenneth W. Meinert, M.D.; Dr. John D. Long, optometrist, and Dr. Jack K. Warrens, D.D.S.

The beautiful new building which has already earned many compliments, is owned by Point Loma Properties, Inc., Dr. Gibson said. R. M. Wood, general contractor of 3615 Lotus Drive, started work on it five months ago, after the plans had been approved in July, 1954.

The project was landscaped by Jerry Hunter, owner of Rosecroft Begonia Gardens, while many sub-contractors helped complete the Center.

"Every doctor has had long experience," Dr. Gibson said; "and each has designed his own suite to suit his prposes. An acknowledgement is due to neighbors of the Center, too, because they allowed set-back zoning variances for the clinic and parking lot."

Mr. and Mrs. Roy D. Russell, Jr., and two daughters, Susan Marie and Betty Royann, came here not long ago from Kansas City and have been living at 4788 W. Pt. Loma Blvd., before their recent move to 2062 Ebers St.

Mr. and Mrs. Paul D. Gorrell, former owners of Pt. Loma Radio, have moved to Ocean Beach to live here for the first time. Their home is located in the 3900 block of Orchard Ave.

It happened last Sunday in Ocean Beach. Walt Green of Adair street who works part time in a service station on Pt. Loma Avenue and Sunset Cliffs Blvd. parked his '36 Chevy right beside the station. In broad daylight it was taken while he waited on a gas customer. He has it back—but during that week it was sold twice before being recovered by the police. Moral—never leave keys in a car.

Mr. and Mrs. Jerry Trnka and son, Jeffrey, five years ago lived in Ocean Beach and always wanted to return. They have been living in El Cajon Now they live in the 4800 block on Orchard Avenue, and are looking forward to once again owning their own home here.

Mr. and Mrs. C. C. Surber of San Francisco are enjoying our sunshine. They are living near the beach in the 5100 block on W. Pt. Loma Blvd. Mrs. Surber, a singer and comedienne was with a USO unit at the Front during World War II.

Ken Brown is back at his desk in the Bank of America. Mr. and Mrs. Brown and children enjoy his two week vacation with a trip to Evansville, Indiana where they visited his mother, and in Toledo, Ohio with his aunt and grandmother. They had spring weather the entire time. On their return they visited Mrs. Brown's sister in Colorado.

Mr. and Mrs. H. E. Magee and three sons, Hubert, John and Mike of Dayton, Ohio are in the San Diego for the first time. While here they are living in the 5100 block on W. Pt. Loma Blvd. Mr. Magee is a representative of Aero Products assigned to Convair.

Sunrise Service Set For April 10

A Sunrise Service will be held this coming Easter Morning, April 10, in the Outdoor Amphitheatre of San Diego State College.

The sermon will be delivered by Captain Robert Angel of the local Citadel of the Salvation Army.

Easter Choral Music will be presented by the "Helix Highlanders," choral group from Helix High School under the direction of Mr. Robert Rue, accompanied by Miss Joe Flynn Fleishman at the organ and Miss Nancy Lindberg at the piano. The group will include their traditional rendition of "Go To Dark Gethsemane" by Noble. Special musical effects for the choral introit will be provided by the trumpet section of the Salvation Army band.

The entire service is under the auspices of the Kiwanis Club of the Harbor Kiwanis Clubs and with the cooperation of the staff of San Diego State College. It is hoped that the event will become a traditional one, along with other Sunrise Services in the area.

Cabrillo Students Attend Program

Harbor and transportation studies of Cabrillo school children were enriched by a film program presented by Donald Robinson, superintendent of the Cabrillo National Monument on Point Loma, according to Miss Grace E. Finley, principal.

Music, art and physical education experiences are already beginning to contribute to the May dancing festivals planned by Cabrillo School classes. Two programs, following the theme, "Folk Fantasy", are planned for May 6, for the primary grades and May 13 for fourth, fifth, and sixth grades, Miss Finley said.

Nature's Classroom

Cabrillo School's sixth-grade classes are scheduled to be at the City Schools' Cuyamaca Camp from May 2 to May 6. The camping program developed locally has become widely known in camping and educational circles. C. R. Calhoun and Raymond Wall will accompany their classes. The permanent camp staff will direct a full program of nature and camp experiences, they revealed.

Judges Chosen For Heidi Doll Show

Youthful entrants of handiwork in the Heidi Doll Show to be held on April 16th at the Roosevelt Auditorium will be pleased to know that three highly qualified and experienced judges have been selected to choose the winners of this unique exhibition of Heidi dolls. They are Mrs. Frank Mettlach, Mrs. W. B. Vigenault, and Mrs. A. V. Faulkner, Jr.

The Committee members of the American Association of University Women sponsoring this event are: Mmes. Henry Bechard, T. M. Brown, Ida Burkett, Olin Gillespie, Earl Hixon, J. G. Tabler, Joseph Sonka, Carl Jensen, Myrtle Workman, and J. Dale Sutliff, chairman.

Jehovah Groups Start Campaign

"A spokesman for Jehovah's witnesses announced plans today for delivering a special message to the world. Herman Deines, local presiding minister of the Ocean Beach congregation, revealed some of the details of this special campaign, which includes sponsoring the public lecture entitled "Christendom or Christianity—Which One is "the Light of the World?" All congregations of Jehovah's witnesses throughout the world (there are approximately 14,000 in 159 lands) will participate. Mr. Deines will deliver this di-s course locally, to which the public is cordially invited. It will be delivered at 4312 Rialto St. at 6 p.m., Sunday, April 3rd.

FELLOWSHIP MEET

The Bible Way Mission, 627 Sixth Avenue, extends an invitation to all persons to attend their Sunday afternoon Fellowship Meetings which begin at 2:30 o'clock. Special speakers attend each meeting.

PTA Opens Sale Of Exposition Tickets

One hundred-thousand adult and 25,000 children's admission tickets to this summer's Cauifornia Exposition & County Fair at Del Mar, went on sale this week throughout the city and county.

Adult ducats, now being dispersed by approximately 166 units of Ninth District Parent-Teachers Association, are quite special in that they can be obtained for 50 cents, a saving of 53 cents over the regular admission price which will be in effect during the Exposition, said Mrs. J. Allen Hodges, Ninth District president.

Benefiting from the proceeds will be the participating units and San Diego Children's Dental Center. The campaign will end June 15, nine days before the Exposition's opening day, June 24.
